The Swing

Swing, swing, swing me
High so my feet can touch
The sky.

The Urban Art Rangers (UAR) is a community art force that fosters connection through art. Rangers engage in conversations about the role that creativity and art can play in Syracuse. In the Fall 2008, the Urban Art Rangers will walk beats in Eastwood and the North Side to let people know of artsactivities in Syracuse, and to gather feedback, opinions and ideas in hopes of developing future creative programs in tthese neighborhoods.
